The following link is the source to 2 attachments that accompany this lesson plan. It provides a comprehensive structure to support teaching. http://www.tes.co.uk/teaching-resource/Podcasting-Scheme-of-Work-and-amp-Resources-6036837/  Pupils to work in groups, to assign roles and create a Breakfast Show podcast.  To follow steps from attachment: RESEARCH BY LISTENING TO EXISTING SHOWS 1) Assign roles (presenter, researcher, technician) 2) Structure the podcast with timed allocated spaces. 3) Discuss and research content. Reflect and edit this thoroughly. 4) Rehearse to time and improve. 5) Reflect and edit. 6) Rehearse and record. 7) USING RADIO EQUIPMENT FINAL RECORDING!	SEN: Provide support where appropriate.	Present shows to the whole class. Reflect and contribute successful aspects of all performances. Was it relevant? Did it compare to the examples of existing shows?	FURTHER DEVELOPMENT: ICT: Key stage 4 Develop efficient and effective ICT- based solutions to a range of problems: For example: multimedia presentation: this could involve creating an interactive presentation or web presence and podcasting developing an ICT-based model to meet particular needs: this should involve testing predictions and discovering relationships, exploring, evaluating and developing models by changing their rules and values creating solutions that apply appropriate ICT techniques for measuring, recording, responding to, controlling and automating events.
